STATEMENT OF COMMITMENT TO CHILD SAFETY AND CHILD SAFETY PRINCIPLES

Preston Primary School is committed to the safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making.

At Preston Primary School our values guide the decisions and behaviours of all members of our school community, including in relation to child safety:

- Respect – for ourselves and others – Caring for, understanding, accepting and appreciating ourselves and others.
- Responsibility – Demonstrating ownership of our actions and words. Being accountable for our actions.
- Resilience – Bouncing back from difficulties and disappointments. Accepting challenges, trying hard and not giving up easily.
- Learning Success-

Preston Primary School has zero tolerance for child abuse.

We are committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Our child safe policies, procedures, strategies and practices will be inclusive of the needs of all children, particularly Aboriginal and Torres Strait Islander children, children from culturally and linguistically diverse backgrounds, children with disabilities, and children who are vulnerable.

Every person involved in Preston Primary School has a responsibility to understand the important and specific role they play individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.
