2023 Book List requirements. Please remember you are ordering for the grade your child will be in next year. Students will need the listed items for their school year. If you have items left over from previous years such as pencils, pencil case, rulers and sharpeners and do not need to buy new ones please use the bin icon to remove the items you don't need. You will not be able to use exercise books from this year as they will be the incorrect line size. If you are buying from a different supplier, PLEASE take note of the line sizes with the exercise books. This is important for children's learning. If you buy exercise books with the wrong sized lines you will be asked to buy the correct size.
