Introduction

To comply with the requirements of the Victorian Occupational Health and Safety (OHS) Act 2004 and the Victorian OHS Regulations 2017 the Department of Education and Training (the Department) has implemented an OHS Management System (OHSMS) in all Victorian Government schools.

The OHSMS requires all volunteers to:

- report to the general office or designated site contact upon arrival at site
- complete an OHS induction using the Volunteer OHS Induction Checklist
- sign in and out and ensure their visitors pass is worn at all times whilst on Department or other premises
- have a current Working with Children Check, where applicable.

1. Department Health, Safety and Wellbeing (HSW) Policy

The Department has the *Health, Safety and Wellbeing Policy*, which has been endorsed by the Department Secretary and can be seen below:

Site specific hazards

Asbestos

All schools are expected to have a Schools Asbestos Management Plan in the event of the discovery of suspected asbestos containing material (ACM) or the accidental disturbance of existing ACM.

If ACM has been identified in the school, the following process must be followed prior to the commencement of works:

- Asbestos Register **MUST** be checked at the time of sign-in when the proposed work involves drilling, scraping, sanding, sawing or any other destructive process.
- if work is to be carried out in the vicinity of Asbestos Containing Material, the Asbestos Coordinator Dale Adams must be consulted prior to the commencement of work.
- asbestos containing material may only be removed by a licensed removalist.

Hazardous Substances and Dangerous Goods

If transporting hazardous substances or dangerous goods onto site, the principal or their delegate must be informed. You must complete a Safe Work Method Statement or equivalent to outline the controls methods you will use to ensure that the risks of the hazardous substances and/or dangerous goods are managed.

Such controls may include, but are not limited to:

- the provision of Safety Data Sheets (SDS)
- correct labelling of containers
- correct storing and handling of containers
- correct disposal of any waste
- provision of personal protective equipment (PPE).

Animals/Wildlife

There is the potential to come into contact with domestic animals and wildlife while on this site. Should this occur, you must:

- do not approach any domestic animals (e.g., dogs) or dangerous wildlife
- report the sighting of any domestic animals or dangerous wildlife to the principal or their delegate
- do not reach into any holes or gaps in the buildings without first checking to see if it is safe.

4. First Aid and Amenities

First Aid

In the event of an injury:

1. if the injury is not serious, report or escort the injured party to the administration office for assistance.
2. if the injury is serious ring 000, do not wait for first aid officer.
3. stay with injured party. Send someone else to find the first aid officer or workplace manager.
4. if no one else is available, ring the school number and inform the office that someone is injured at your location.
5. if trained, apply first aid to the injured party.
6. once incident is over, fill in an incident report at the office.

5. Emergency Evacuation Map

The Evacuation point is located at the 'COLA'.

Emergency Evacuation Maps are located near the exits of all classrooms and common areas.

6. Emergency Exits

Evacuation Maps are located near exit doors in every room.

Emergency Procedures

On hearing the alarm:

- switch off all equipment
- proceed to the advised assembly area
- report to one of the wardens
- do not leave the assembly area until advised.

Leaving Site in an Emergency

All volunteers are required to proceed to the evacuation point and remain there until given clearance to leave by the Incident Controller or principal or their delegate.
